

## HAR DIN BYGNING UTÆTHEDER? ARE THERE LEAKS IN YOUR BUILDING

Så er sæsonen for skimmelsvamp gået ind. Det er nu du skal tage temperaturen på din bolig, så du undgår fugtige forhold. Hold din Bygning fugtfri!

- Hvis du ser noget som ikke er i orden, så kontakt ejendomsservice.

The autumn and winter are high season for mould. It's time to check your home so that you can avoid damp. Keep your Building dampfree!

- If you see something that I not in order, contact your technical department.
